

# To pre-pay for SFSC events using Pay Pal:

Step 1: Choose which event or which package applies to you. To choose from the options for that selection, click on the black triangle to see all the choices.

Step 2: From the list of choices, click on the option you would like. In our example, we're going to see The Lost World.

Step 3: Now you'll see your choice in the box. If you need to change your choice, simply click on the black triangle again. If you're happy with your choice, click the "Add to Cart" button.

Step 4: Once you click the “Add to Cart” button, a new page will open up and you’ll be taken to the PayPal site to complete your purchase. You’ll see your choice on the left, the price and quantity will be listed on the right. From here, if you click “continue shopping” you’ll go back to the silentfilmchicago.com site and can add more movies. If you click either “check out” button, you’ll process your payment for the movies you’ve already chosen.
